Alison Handling offers a range of Dolav Plastic Pallet Boxes, which are widely used in recycling, food production, retailing, industrial, automotive, batteries and animal bi-product handling.

Manufactured in structural foam, they are easy to clean, resistant to corrosion and durable. The box is also UV resistant and can withstand a wide range of temperatures.

The Dolav Classic is capable of carrying loads up to 700kg and can stack up to 6 high with a total load of 4000kg.

Standard Features

- One-Piece injection moulded unit
- Anti-Slip corners for safe stacking
- Long life span
- Fully recyclable
- Smooth sides for easy cleaning
- UV radiation resistant
- Wide variety of colours
- USDA certifications
- Injection moulded lids in a variety of colours
- Reinforced base to prevent sagging

DON'T FORGET TO ASK ABOUT COLOURED LIDS

Alison Handling offers a range of 180° Stack/Nest Containers to suit a wide range of applications whether automated or manual.

This range offers three usable heights and the choice of solid or perforated containers. Manufactured from food grade Polypropylene, these unique designs allow you to save valuable space as they nest up to 73%. Having no moving parts means this range is especially suited to the food industry.

Standard Features

- Choice of 3 Depths
- Smooth sides for easy cleaning
- Large perforations to allow air flow
- Choice of Solid or Perforated
- Contoured ergonomic handles
- Choice of many colours for easy identification
- Double and Single dollies available on request
- Lids available on request

Alison Handling offers a huge range of stacking containers which are suitable for a wide range of applications.

Manufactured in food grade polypropylene, the range includes three standard base sizes with a choice of heights, as well as solid or perforated sides and bases.

Each box has smooth straight sides for ease of cleaning and is suitable for working at a temperature range of -30° to +80°. The unique card clip on the short end of the boxes is perfect for labelling.

Standard Features

- Secure stacking
- Reinforced side ribs for extra strength
- Built in ticket clip
- Standard sizes fits on both UK and Euro pallets
- Drop on lids to suit
- Choice of single and double dollies to suit
- Choice of solid or perforated
- Wide choice of colours
