## BALE ARM CRATES

Alison Handling offers a range of Bale Arm Crates to suit a wide range of applications.

Manufactured in food grade polypropylene these crates are strong and durable. They feature smooth internal surfaces that are easy to clean and provide an extraordinary level of protection for their contents. Available in five standard sizes, each is stackable and nestable to maximize space in transport and in storage when not in use.

### Standard Features

- Insert area for printing on both long sides
- Single and double dollies available to suit
- Choice of colours
- Recessed bar code areas
- Pin-dot area for easy label removal
- Ticket holder
- Available in recycled polymer
